

# Over 80% of Montanans Support Medical Aid in Dying

Montanans overwhelmingly support the right to medical aid in dying as a compassionate option for mentally capable, terminally ill adults to peacefully end unbearable suffering. Support for medical aid in dying is high across the political spectrum, and in every part of Montana.

**83%** OF MONTANA VOTERS SUPPORT THE RIGHT TO MEDICAL AID IN DYING FOR QUALIFIED PATIENTS

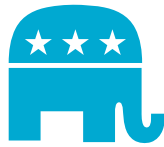

**88%** OPPOSE CRIMINALIZING PHYSICIANS WHO PRESCRIBE MEDICAL AID IN DYING
